

## Branded Solutions

Offer great coffee with  
touch-screen design.

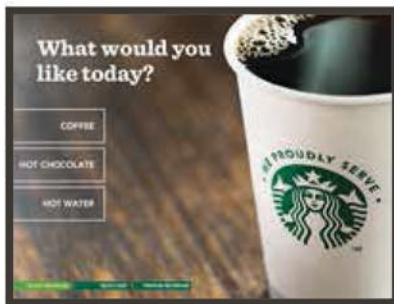

### Starbucks Interactive Cup® Digital Brewer

You can now offer clients the Starbucks® coffee they love with a new digital experience. The intuitive design helps deliver the premium experience of Starbucks in a more personal setting. It's the easiest way for clients to give their staff an exciting and rewarding coffee experience.

# The New Starbucks Interactive Cup® Digital Brewer

NEW! Digital Interface	Easy-to-use, interactive experience
NEW! 3-Bean Hopper	More variety for every employee to find a coffee they love
From whole bean to fresh-brewed cup in less than a minute	Offers employees a moment of connection—just like they can expect from a retail experience
Brew by the cup or by the carafe	Can reduce waste by brewing exactly what's needed

A personal experience through a digital touch screen.

- New interactive interface that elevates the Starbucks experience
- Operational ease for simple recipes and self-serve convenience
- Intuitive touch screen customers will love

A three-bean hopper means more coffee to love.

- Features three 2 lb. hoppers
- Variety of Starbucks® Roast Spectrum
- Meets customer needs with additional variety
